No. Currently, the full Emmaus Academy experience is best viewed on a Desktop computer at this time.

+ **Can my parish purchase group access to the Academy?**

There is currently no group subscription model, but we do encourage individuals to utilize these courses and book studies within a small group setting.

BILLING

We need people like you to purchase our programs so we can continue to open the Scriptures to every priest, seminarian, and in every home! Your support enables us to continue creating powerful content.
