

A GUIDED JOURNEY THROUGH
**GENESIS
TO JESUS**

with JOAN WATSON

Discover *your* place in the story of *salvation*!

What is God's overarching plan not just for humanity but for YOU?
Find out in Genesis to Jesus - A Guided Journey with Joan Watson!

Every human heart is made for the divine narrative. But often times
we read the Bible as a collection of books of different genres and
fragmented stories, which at times can distort our very view of God.

When we learn to read the Scriptures as one unified story of God's
love for every single one of us, it makes sense of every aspect of our
lives, even our suffering.
